Chassis Parts

GT2 S/S Rear Spreader Bar: Available for '32 and '34 Fords only in polished stainless steel and manufactured to factory specifications. They bolt into the stock location adding that "just right" finishing touch.
(A) #001-61212 '32 Ford 39.5" wide rear spreader bar: \$85.00 ea.
(B) #001-61214 '34 Ford 43.75" wide rear spreader bar: \$85.00 ea.

GT2 S/S Rear Spreader Bar: This polished stainless steel piece is top of the line and features full radius investment cast flanges. The design features "blind-hole" back mounting, fasteners (available separately) do not show from the front side at all...very cool.
(A) #001-60647 '32 Ford stock, 39.5" wide GT2 spreader bar: \$129.95 ea.
GT2 S/S Rear Spreader Bar Fasteners:
(B) #001-61223 Rear blind-hole fastener: \$8.00 ea.

GT2 Rear S/S Spreader Bar Flanges:

Looking to make you own spreader bar, here's a good start.
(A) #001-61213 '32 Ford rear S/S flange: \$8.00 ea.
(B) #001-61215 '34 Ford rear S/S flange: \$8.00 ea.
