BILLET SPECIALTIES AIR FILTERS

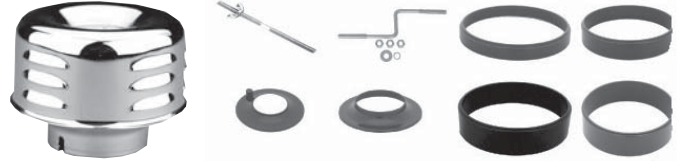

The style we created 20 years ago has become today's standard of design . . . look around and compare. We offer more styles, more CNC machined designs, an industry leading mirror finish, and include stainless mounting hardware. All of our air cleaners are designed to work with standard 4-barrel carburetors with a 5.125" diameter air cleaner mounting flange. Each air cleaner also uses a common size replaceable air filter element. These are just a few styles. Please call for more. Air cleaners measure 11 7/8 x 8 3/8 or Large 17 1/2 x 9 3/8.
