SQUEEG'S PLUG WIRE HOLDERS

Looking for a clean way to support your plug wires without being obvious? Introducing the newest in Plug-Wire Separators. Unlike other manufacturers bulky separators, these are super clean, sleek, and extremely functional. Squeeg's Kustoms line separators and mounts are water-jetted out of T-6061 Aluminum, and are destined to last for years and years beneath your hood. The natural satin finish allows for optimum pre-preparation for engine/theme matching or the ability to run them with their natural finish. Available in small block Chevy kit, or small block Ford Kits. Individual clamps available also, please call.
