AFTERMARKET FRAMES & BODIES

A-V8 & 32 FORD STEP BOXED FRAMES

So-Cal's experience and engineering knowhow has gone into developing one of the strongest, best fitting, and best looking frames out on the market today. These frames are jig-built with all the mounts and crossmembers precisely placed for ease of installation. Base frames include: all crossmembers, steering box mount, front brake line tabs, brake pedal mount, brake proportioning valve mounting pad, engine & trans mounts, front panhard bar bracket, radius rod rear tabs, master cylinder bracket, and in-line fuel filter mounting pad. These are complete and ready to bolt together, no grinding or welding needed. Please call for more info and options available. A-V8 Frame is designed to mount a 28-29 Model A body on 32 frame rails, 32 frame is for all 1932 Ford body styles. Ask about our Model A Frame for the 1928-1931 Hot Rods.
