FORD/CHEVY STAINLESS STEEL GAS TANKS

Reproduction tanks made to fit where the original tanks were mounted. Some are available in stock size, some are larger for more fuel capacity. These are made of stainless steel and have provisions for the fuel tank sender and gas filler. Please call for application and prices. These are available for Fords and Chevys, cars and trucks. Sending unit listed fits the five hole aftermarket tanks and will operate the Ford gauge.

STAINLESS TANKS	STARTINGAT	599.99 EA
-----------------	------------	-----------

FUEL TANK SEALER

Sealer used to coat the inside of gas tanks after being cleaned out. Stops rust, corrosion, and small leaks.
