## EMERGENCY BRAKES, AFT MK HANDLES & CABLES

### UNIVERSAL FLOOR MOUNT E-BRAKE HANDLES

Chrome or black handle. Made for easy installation of emergency brakes in your hot rod or classic car. This handle has a 4-point mounting system for floor or side mounting.

CHROME LOK-EHB-7000-F 119.99 EA  
BLACK LOK-X-EHB-7000-F 115.99 EA

### UNIVERSAL SHIFTER MOUNT E-BRAKE HANDLES

Chrome handle with ratchet for easy installation of emergency brakes in your hot rod or classic car. This handle attaches to the Lokar transmission mount shifter and stands up next to the shift lever.

11" TALL HANDLE LOK-EHB-7011 149.99 EA  
16" TALL HANDLE LOK-EHB-7016 149.99 EA

### UNIVERSAL UNDER-DASH MOUNT E-BRAKE HANDLES

Completely universal and adjustable under-the-dash ebrake handles from Lokar. We carry both the Foot and Hand operated handles. These easy to use handles are available in many finishes, chrome, aluminum, and black. The foot operated handle has a few options for the pedal pad. Be sure to call for more info.

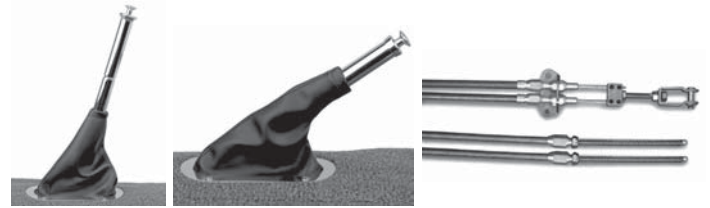

HAND OPERATED STARTINGAT  
FOOT OPERATED STARTINGAT

### E-BRAKE HANDLE BOOTS

Black boot for the floor or transmount e-brake handles. These have chrome rings at the floor and a sewn neck around the handle.

TRANSMOUNT LOK-70-EHBT 29.99 EA  
FLOORMOUNT LOK-70-EHBF 28.99 EA

### REAR EMERGENCY BRAKE CABLES

This kit is designed for use with Lokar's Floor or Shifter Mount Emergency Brake handle, and in conjunction with Lokar's Connector Cables for the under-dash and stock style handles. Kit comes equipped with quality one-piece aluminum adjusters and aluminum ferrule to eliminate fraying of stainless housing. Outer housing is designed with specially extruded liner for extended life of the cable. Stainless inner cable resists moisture. Design allows rear end backing plate fittings to be removed without removing brake cables. Lokar cables also feature adjustable cable lock and clevis. Complete with cable bracket and spacers. Includes two 8 foot outer housings that "U-Cut-to-Fit" and are available in stainless or black housing. Application fits 8" and 9" Ford, Chevy, Chrysler and Lincoln Versailles drum —and disc brakes. Drum brakes listed, please call for other applications or custom configurations.

BLACK HOUSING LOK-EC-80FU 132.99 KIT  
STAINLESS HOUSING LOK-EC-80FHT 187.99 KIT

### EMERGENCY BRAKE CONNECTOR CABLES

Lokar Connector Cables work in conjunction with Lokar's Universal Emergency Brake Cables and with stock or Lokar's under-the-dash hand brakes. Includes a single 6 foot outer housing designed with a specially extruded liner that "U-Cut-to-Fit" with a 7 foot stainless steel inner cable which resists moisture. Comes equipped with quality aluminum fittings and adjuster. Ferrule is included to eliminate fraying of stainless housing. Universal cable listed, please call for application.

BLACK HOUSING LOK-EC-8001-U 79.99 KIT  
STAINLESS HOUSING LOK-EC-8001-HT 115.99 KIT

## THROTTLE & KICKDOWN CABLES

### UNIVERSAL THROTTLE CABLES

Lokar's cut-to-length throttle cables will adapt to factory and aftermarket pedals and carbs. These come in 24 or 36 inch length with a braided stainless steel or black outer housing with stainless inner cable. Includes aluminum fittings and instructions. You'll need a throttle cable mount kit to attach these to your carburetor. Be sure to check your measurements, we can get these in custom lengths if needed. If you don't see your application listed, please call. Tune port, fuel injection, and blown cars need different cables, please call.
