35-40 PEDAL	PET-5009	83.99 EA
42-48 PEDAL	PET-6009	83.99 EA

## THROTTLE & KICKDOWN CABLES

### UNIVERSAL THROTTLE CABLES

Lokar's cut-to-length throttle cables will adapt to factory and aftermarket pedals and carbs. These come in 24 or 36 inch length with a braided stainless steel or black outer housing with stainless inner cable. Includes aluminum fittings and instructions. You'll need a throttle cable mount kit to attach these to your carburetor. Be sure to check your measurements, we can get these in custom lengths if needed. If you don't see your application listed, please call. Tune port, fuel injection, and blown cars need different cables, please call.

24 INCH STAINLESS	LOK-TC-1000-HT	49.99 EA
-------------------	----------------	----------

24 INCH BLACK	LOK-TC-1000-U	41.99 EA
36 INCH STAINLESS	LOK-TC-1000-HT36	55.99 EA
36 INCH BLACK	LOK-TC-1000-U36	49.99 EA

### THROTTLE CABLE MOUNTING KIT

Bracket that mounts to the carb, intake, or throttle and holds the throttle cable and kick down cable in place. Carb kit includes the bracket and throttle return springs. Others available, please call.

CARB BRACKET	RPC-R6055	16.99 KIT
LS1 SINGLE STUD	LOK-TCB-40-LS1	55.99 EA
LS1 DOUBLE STUD	LOK-TCB-40LS12	55.99 EA
LT1 BRACKET	LOK-TCB-40LT1	59.40 EA
LT4 BRACKET	LOK-TCB-40LT4	59.40 EA

### KICK DOWN CABLES

Lokar's cut-to-length braided stainless kick down cables for an assortment of transmissions. This cable connects the kick down lever in the tranny to the accelerator linkage on the carburetor. All kits include aluminum fittings with ferrules to eliminate frayed cables. Also available in the black housing. If you don't see yours listed, please call.
