### FLATHEAD FORD FUEL PUMPS

New, no core needed

32-48 STEEL BOWL	MAC-11A-9350	69.99 EA
32-48 GLASS BOWL	MAC-59A-9350	69.99 EA
49-53	DEN-578-9350	99.99 EA

### VALVE COVERS

#### BILLET SPECIALTIES

Billet Specialties valve covers are produced from a high grade aluminum that is polished to Billet Specialties standards and each design is CNC machined in the USA. Designs are available in short and tall heights, and have a 1.25" diameter breather hole positioned between the rockers to reduce oil splash. Use tall if using roller rockers and/or stud girdles. These are just a few that we stock. We can get any Billet Specialties covers in short or tall style. Please Call
