57 COU-55-14569 2.00 EA

### WIRING, ORIGINAL

#### FORD TRUCK WIRING HARNESSES

We offer factory color coded harnesses for the 1948-1959 Ford pick up trucks. We have dash, body, engine, headlight harnesses and more. These are all made to factory specs, using color coded wiring and the correct terminals. These harnesses include schematics.

Please call for your specific year truck for pricing and more info.

*Many other wiring looms and complete wiring kits are available for most 48-59 trucks. Just call, our customer service will be happy to help you.*

# SO-CAL Speed Shop Arizona

## Vintage Ford & Chevrolet Parts

### FORD WIRING CONNECTORS

Rubber connectors that plug the wiring looms together. Come in packages of 10.

48-72 VIN-B-14487 5.99 KIT

### FORD DOUBLE WIRING CONNECTORS

These are the same as above but have two ins and outs. These are needed on the body and headlight harnesses to allow you to connect the single wire to two wires (right hand and left hand).

48-72 DEN-59A-14487 2.95 EA

### FORD TRUCK WIRE HARNESS PROTECTION GROMMET

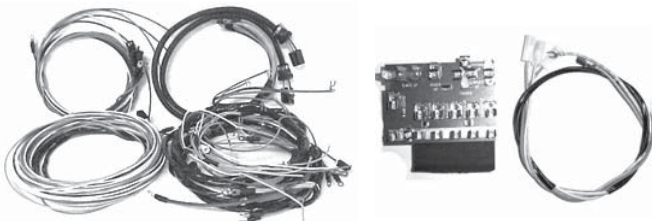

These snap into the sheet metal holes that the wiring passes through and protects the wiring running through them.

SMALL DEN-352873-S 4.00 EA  
LARGE DEN-352873-L 4.80 EA

### CHEVY TRUCK COMPLETE WIRING KITS

Kit includes every piece of wiring for the truck from headlight to taillight. Specify year and engine size of truck. ALT kits include wiring for internally regulated alternators and H.E.I. ignition.

### CHEVY TRUCK WIRING HARNESS

We offer factory color coded harnesses for the 1947-1972 Chevy pick up trucks. We have dash, body, engine, headlight harnesses and more. These are all made to factory specs, using color coded wiring and the correct terminals. These harnesses include schematics. Please call for your specific year truck for pricing and more info. *Please call for years, styles and prices.*

*Many other wiring looms are available for most chevy trucks.. Just call and we will be happy to help you..*

### CHEVY TRUCK WIRE CONDUITS

Original style conduits for the engine and forward lamp harness. Come complete with mounting hardware.

67-72 COU-67-40000 21.00 PR

### CHEVY TRUCK FUSE PANEL

Original style fuse panel. Includes primary wiring.

55-57 COU-55-12252 35.00 EA

### CHEVY TRUCK TERMINAL JUNCTION

Junction block on the inner fender.

47-55 1st 3-PRONG COU-47-12252-3 10.99 EA

47-55 1st 4-PRONG COU-47-12252-4 10.99 EA

### CHEVY CAR ORIGINAL WIRING

We have access to the stock style wiring harnesses for your Chevy Car. These have the correct color code, correct gauge wire, and the correct wire plugs and connectors. They're made to look and fit just like the originals. There are many different harness and many different options. Please call and we'll assist you in getting what you need.

## 6 TO 12 VOLT CONVERSION

### "THE OFFICIAL" 12 VOLT CONVERSION GUIDE

Great book to walk you through the steps of converting a 6 volt system over to 12 volt.

6 TO 12 VOLT BOOK DEN-CA-3200-4 15.00 EA

#### "The Official 12-Volt Conversion Guide"

A step by step guide to converting your 6 volt to 12 volt system. Includes wiring diagrams and electrical system to 12 volt.

### 12 TO 6 VOLT DASH GAUGE VOLTAGE DROP

These are what you need when converting a 6 volt car to a 12 volt system. They drop the current to 6 volts eliminating the possibility of burnt up gauges. These are used on the fuel, temp, and oil pressure. The amp or volt gauge does not require one.

VOLTAGE DROP VIN-SR-10606 15.99 EA

### 12 TO 6 VOLT GAUGE REDUCER

This little box will allow you to run all your 6 volt gauges off one power source. This brings in the 12 volt current and internally drops it to 6 volt. Will work for all 3 gauges (fuel, oil and temp)

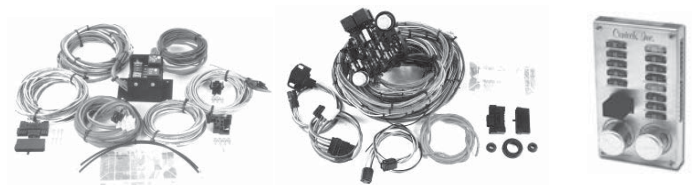

VOLTAGE DROP DEN-D-10800 42.50 EA

## WIRING KITS, AFTERMARKET

### HAYWIRE HOT ROD WIRING KIT

This kit from Haywire is a 7 fuse 9 circuit wiring system. Great for simple hot rods that have just the basics. All wires are hard wired into the fuse panel and have eight foot leads. Makes it great for mounting it under the seat, behind the firewall or in the truck. All wires are GM color coated and labeled. This has seven fuses and two 12 gauge leads that can be fused for extra components.

7 FUSE WIRE KIT HAY-DPRO-T 169.99 KIT

### E-SERIES WIRING KIT

Looking for a kit to wire your car or truck. This 19 circuit kit covers all aspects for your ride from headlight to tail light and all the goodies in between. This has circuits for A/C, Power windows, seats, electric fan, choke, fuel pump and more. Nice kit, easy to use. All the wires are factory color coded and labeled every 6 to 8 inches. Includes booklet.

19 CIRCUIT KIT HAY-E-SERIES 259.99 KIT

### CENTECH UNIVERSAL FUSE PANEL

So-Cal's all about clean and simple; this is the fuse box we've found to be just that. Made by Centech Wiring, this compact (6" x 3 1/2") panel

offers 13 modern ATC fuses, 28 labeled circuits, 5 ground circuits, ground strip for fiberglass cars, horn relay, hazard flasher, turn flasher, stainless hardware, polished stainless cover, all mounting hardware, instructions, and a one year warranty.  
 FUSE PANEL SOC-031-PDP-1B 149.99 EA

### WIRING LOOM/COVER

#### POWERBRAID

Protect and clean up any harness installation with Powerbraid braided wire wrap. Laterally split design closes around wire bundle without the need for additional taping or zip ties. Large overlap allows easy installation over splices and inline connectors without exposing wires and cables.

1/4" X 20 FEET	PAR-PPP-70901	33.99 ROLL
1/2" X 10 FEET	PAR-PPP-70902	26.99 ROLL
3/4" X 6 FEET	PAR-PPP-70903	21.99 ROLL

#### UNIVERSAL FLEXIBLE CLOTH WIRE LOOM

Black cloth loom for running the wiring all around your car or truck. Sold in 25 foot rolls.

1/4" I.D. LOOM	VIN-A-14407-1/4	16.99 EA
5/16" I.D. LOOM	VIN-A-14407-5/16	16.99 EA
7/16" I.D. LOOM	VIN-A-14407-7/16	16.99 EA
1/2" I.D. LOOM	VIN-A-14007-1/2	16.99 EA

### DOOR JAMB WIRING/CONTACTS

#### DOOR JAMB CONTACTS

Adjustable brass contacts for the door jamb. These allow you to eliminate the wires between the body and door. Each kit includes 2 strips, one for the door and one for the body. When the door is closed they make contact with each other. Available in different multi-wire contacts.

2 WIRE CONTACT	PAR-PPP-40022	32.99 KIT
3 WIRE CONTACT	PAR-PPP-40023	40.99 KIT
4 WIRE CONTACT	PAR-PPP-40024	51.99 KIT

#### DOOR JAMB CONDUIT/LOOM

Either braided stainless steel or chrome spring steel looms for passing wires through the door jamb. Great for keeping wires from getting pinched. One kit does 2 doors.

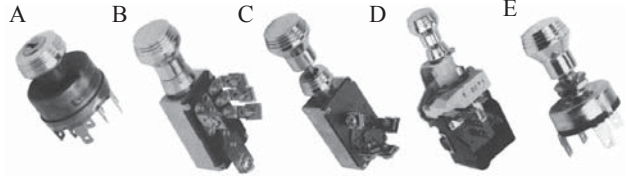

BRAIDED STAINLESS	HOF-DLOOMBL	46.99 KIT
CHROME SPRING	PAR-SPW-FWC	42.50 KIT

### ELECTRICAL SWITCHES & RELATED

#### ART DECO ELECTRICAL SWITCHES

These quality dash switches feature our "Art Deco" knobs and matching mounting bezels. Great for tying all your dash accessories together. We also offer these switches with all our other SO-CAL knobs. Please Call.
